**Subject:** Revisions to Portland Harbor FS Section 1  
**Attachments:** 2014-06-02 Portland Harbor FS Section 1\_Rev 1.doc; 2014-06-03 FS Outline - List of Figures.xlsx

All – I have had a request to provide the figures and tables discussed in the text. EPA is not developing these; it will be required of the LWG in finalizing this section. To assist in your review, I've included a matrix (see attached) that describes in more detail the figures. The one table referenced is just a summary table of the data, which are already provided in Section 5 of the RI by media. In developing the matrix, I realized that several figures were not referenced in the text, so the attached version of FS Section 1 includes correct Figure references. Additionally, it was noted that RM 11E was not discussed in Section 1.2.2.3, so a discussion has been included in this version. Also, some inaccurate statements about consent decrees were discovered and removed. I'm providing these changes to you in redline so that you can see the changes made.
